

The Center for Gifted ~ Midwest Torrance Center for Creativity

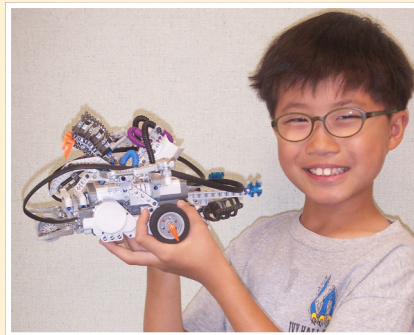

# Ingenuity. Inspiration. Imagination. Innovation.

## Join us this winter for an exciting afternoon of creativity and scientific discovery!

**The Jet Engine:** Investigate flight and the science behind the Jet Age! Explore the mechanics of the Jet engine while constructing an innovative 3D model that you can keep! **(4-8)** (\$5 lab fee)

**Lego WeDo Robotics:** Explore principles of engineering and programming. Select from a dozen plans to build robots, such as alligators, birds, or soccer players with Legos, motors, gears, and sensors. Connect your robots to a computer to program actions and sounds. Experienced students may try their hands at designing their own robots. **(K-4)** (\$5 lab fee)

**South Middle School**  
400 S. Highland Ave.

**February 18**  
**1:30-4:00**  
Grades K-8  
Tuition: \$45

*Bright, motivated learners from any district or educational setting, whether public, private, parochial, or home school, may enroll.*

**Enroll online at [www.centerforgifted.org](http://www.centerforgifted.org)**
