

INNOVATION CREATION LAB!

PRESIDENTS' DAY - MONDAY, FEBRUARY 19 - GRADES K-8

What inspires you to create? Do you like to construct, build, design, hammer, sew, or paint? Do you like robotics or computer programming? Bring your imagination and ideas or just come and be inspired by the abundance of materials and resources provided.

Activities, builds, and creations will be student led, facilitated by expert, creative teachers in student centered classrooms.

Choose from the various activities offered or choose to pursue a topic in depth – thrive in the freedom to discover, explore, and experiment!
