

The Center for Gifted ~ Midwest Torrance Center for Creativity presents...

A makerspace for younger students!

Tinker-a-Thon!

at Elmhurst College

for students entering grades 1-5

July 17 - August 4

Enroll for one, two, or all three weeks!

Featuring:

- Moto-Pets
- Robotic Petting Zoo
- Catapult
- Skyscrapers
- Household Chemistry
- Makey Makey
- Programming with Robotic Finches
- LEGO Mindstorms and WeDo Robotics
- Artbotics

Activities, builds and creations will be student led in a self-contained student centered classroom.

Choose from Art, Science, Technology, Math and Engineering.

Runs concurrently with Project '17...students may ride the FREE bus with older siblings.
